A Medical-Surgical Approach to INFLAMMATORY BOWEL DISEASE

November 5-6, 2005  •  Fairmont Hotel, San Francisco, California

The UCSF Center for Colitis and Crohn’s Disease is dedicated to providing comprehensive care for individuals with Crohn’s disease, ulcerative colitis and related illnesses. As part of this commitment, we are proud to present our annual IBD symposium. This course will address advances in the immunology of IBD, state-of-the-art strategies for the medical and surgical management of Crohn’s disease and ulcerative colitis and special interest issues including prevention of post-operative recurrence of Crohn’s disease and microscopic colitis.

WHO SHOULD ATTEND THIS COURSE:
This symposium is designed for gastroenterologists, colorectal surgeons, internists and allied health professionals who participate in the management of this complicated patient population. Advances in IBD are being made at a rapid pace. This course is designed to keep you abreast of these developments.

COURSE OBJECTIVES
At the conclusion of this course, the participant should be able to:
1. Understand the current theory on the role of bacteria in pathogenesis of Inflammatory Bowel Disease
2. Practice the current standard of care for the management of ulcerative colitis and Crohn’s disease
3. Understand the role of surgery in the management of perianal Crohn’s disease and use of laparoscopic techniques for the surgical management of IBD
4. Discuss strategies for prevention of post-operative recurrence of Crohn’s disease
5. Be familiar with promising emerging therapies for the management of IBD
6. Understand the surgical and medical complications associated with ileal pouch surgery for ulcerative colitis
7. Understand the diagnosis and management of microscopic colitis

ACCREDITATION
The University of California, San Francisco School of Medicine, UCSF is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Physicians: UCSF designates this educational activity for a maximum of 10.25 hours in category 1 credit toward the American Medical Association (AMA) Physician’s Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the activity.

Nurses: For the purpose of recertification, the American Nurses Credentialing Center accepts AMA PRA category 1 credit issued by organizations accredited by ACCME.

Physician Assistants: The American Academy of Physician Assistants (AAPA) accepts courses approved by the AMA for Category 1 credit as meeting the continuing education requirements for license renewal.
