COURSE OVERVIEW

International leaders in orthopaedic surgery will present new and evolving concepts in trauma and fracture management through didactic lectures, case presentations, and hands-on practice with the latest implants.

EDUCATIONAL OBJECTIVES

The course curriculum will include:

- The newest techniques and concepts in adult and pediatric fracture care, including conventional and locked plating, external fixation, and intramedullary nailing.
- The most recent innovations in orthopaedic surgical techniques, through practical, hands-on exercises using saw-bone models.
- The latest developments in osteobiologics.
- The future technological advances in fracture treatment.

ACCREDITATION

The University of California, San Francisco School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Physicians

The University of California, San Francisco designates this educational activity for a maximum of 27.75 credits AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Physician Assistants

The American Academy of Physician Assistants (AAPA) accepts courses approved for AMA PRA category 1 credit as meeting the continuing education requirements for license renewal.

Pharmacy

The California Board of Pharmacy accepts as continuing professional education those courses that meet the standard of relevance to pharmacy practice and have been approved for AMA PRA category 1 credit. Pharmacists licensed in states other than California should inquire with those state boards or licensing bodies for specific continuing education requirements.

Trauma

The approved credits shown above include 27.75 credits toward satisfying the American College of Surgeons Committee on Trauma requirement for trauma-related continuing medical education.

Nursing Credit

For the purpose of recertification, the American Nurses Credentialing Center accepts AMA PRA category 1 credit issued by organizations accredited by the ACCME.
