

# MANAGEMENT OF THE HOSPITALIZED PATIENT

The Fairmont Hotel  
San Francisco, CA

October 23-25, 2008

The course, chaired by Bob Wachter, covers the clinical issues most relevant to hospitalists, internists, family physicians, and others who care for inpatients. Taught by UCSF's top teachers and a stellar group of guest faculty, the course highlights recent advances and current controversies, emphasizing a cost-effective approach to common disorders. To promote active learning, the course uses a computerized interactive audience response system, and features multiple workshop sessions in five different tracks to allow for small group discussions. The course includes broad content in critical care, perioperative care, end of life care, patient safety and quality, and hospital neurology, cardiology, and infectious diseases. This course is presented by the Department of Medicine, Division of Hospital Medicine, and is sponsored by the Office of Continuing Medical Education, University of California, San Francisco, School of Medicine. It also serves as the West Coast regional meeting of the Society of Hospital Medicine.

**For the first time, this year's conference is preceded by a three day Hospitalist Mini-College on site at the UCSF Medical Center. Enrollment to the precourse is limited – we encourage early registration!**

## ACCREDITATION

The University of California, San Francisco School of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

UCSF designates this educational activity for a maximum of 18.75 AMA PRA Category 1 Credit(s)<sup>™</sup>. Physician should only claim credit commensurate with the extent of their participation in the activity.

This CME activity meets the requirements under California Assembly Bill 1195, continuing education and cultural and linguistic competency.

For the purpose of recertification, the American Nurses Credentialing Center accepts AMA PRA Category 1 Credit<sup>™</sup> issued by organizations accredited by the ACCME.

The California Board of Pharmacy accepts as continuing professional education those courses that meet the standard of relevance to pharmacy practice and have been approved for AMA PRA Category 1 Credit<sup>™</sup>.

Application for CME credit has been filed with the American Academy of Family Physicians. **Determination of credit is pending.**

## EDUCATIONAL OBJECTIVES

An attendee completing the Management of the Hospitalized Patient course should be able to:

- Describe the major diagnoses to be considered in common inpatient clinical presentations;
- Review a modern and evidence-based work-up for common inpatient clinical presentations;
- Discuss modern therapeutic approaches to common inpatient disorders;
- List some of the latest literature impacting the field of Hospital Medicine and how best to use it to answer clinical questions.

An attendee completing the Hospitalist Mini-College precourse should be able to:

- To improve diagnostic and management skills in critical care through hands-on teaching and observation;
- To improve diagnostic and management skills in hospital neurology through hands-on teaching and observation;
- To improve diagnostic and management skills in medical consultation and co-management through hands-on teaching and observation.

#### CONFERENCE LOCATION

The UCSF Mini-Hospitalist College is being held in San Francisco at the UCSF Medical Center located at 530 Parnassus Avenue, the site of the main University Hospital. The 15-story hospital has 600 beds composed of two adjoining buildings, Moffitt and Long Hospitals, and includes our 180 bed UCSF Children's Hospital. Overall, the hospitals and clinics cover nearly 6 city blocks.

The Management of the Hospitalized Patient Course is being held in San Francisco at the Fairmont Hotel, 950 Mason Street. The Fairmont Hotel is located at the only spot in San Francisco where each of the City's cable car lines meet. With a panoramic view of the City and the Bay from high atop Nob Hill, The Fairmont San Francisco offers an unmatched blend of elegance and superb service for an unforgettable stay.

A block of guestrooms has been reserved at the Fairmont Hotel with the following group rate of **\$232** single or double occupancy. Transportation between the Fairmont Hotel and the UCSF Medical Center will be provided for the attendees of the Hospitalist Mini-College for the duration of the course.

NOTE: The precourse and the MHP course have separate registration and fees. There is a discounted rate for those participating in both courses. In addition, SHM members receive a discount (to become a member, go to [www.hospitalmedicine.org](http://www.hospitalmedicine.org) and click on "Join Now")

## INTRODUCING A NEW PRECOURSE FOR 2008 – The UCSF Hospitalist Mini-College: A Small Group, Hands-On Experience

This innovative three day pre-course provides an in-depth and engaging experience for hospitalists who desire an opportunity for clinical skill development. Participants will join faculty at UCSF Medical Center in clinical teaching rounds and seminars in three focused domains: Critical Care Medicine, Hospital-Based Neurology, and Surgical Co-Management. Participants will also receive hands-on procedural training (e.g., use of ultrasound guidance) and sessions focused on interpreting radiographic studies, building diagnostic acumen, and using electronic resources to quickly answer clinical questions. Enrollment to the pre-course is limited – we encourage early registration!
