ACCRREDITATION
The University of California, San Francisco School of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. UCSF designates this educational activity for a maximum of 13.5 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This CME activity meets the requirements under California Assembly Bill 1195, continuing education and cultural and linguistic competency.

Family Physicians Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

Licensed Clinical Social Workers This course meets the qualifications on an hour-for-hour basis of continuing education credit for MFTs and/or LCSWs as required by the California Board of Behavioral Sciences. Approval No.PCE 1272.

Nursing For the purpose of recertification, the American Nurses Credentialing Center accepts AMA PRA Category 1 Credit™ issued by organizations accredited by the ACCME.

Physician Assistants AAPA accepts category 1 credit from AOACCME, Prescribed credit from AAFP, and AMA PRA Category 1 Credit™ from organizations accredited by the ACCME.

Psychology This educational activity is recognized by the California Board of Psychology as meeting the continuing education requirements toward license renewal for California psychologists. Psychologists are responsible for reporting their own attendance to the California Board of Psychology. The MCEP credit reporting form will be available at the course registration desk. Psychologists from other states should check with their respective licensing board.

UCSF Laurel Heights
Conference Center
3333 California Street @ Walnut
San Francisco, CA 94118

PARKING
Limited parking is available at the Laurel Heights Conference Center for $12/day on Thursday/Friday. The conference center is located at 3333 California Street, between Presidio Avenue and Laurel Street and is accessible by public transportation (MUNI lines 1, 2, 4 and 43).
This conference provides a practical and useful update for primary care and subspecialty health care professionals caring for children, youth and adults with complex health care needs and developmental disabilities. This year’s topics offer new perspectives, research findings and clinical guidelines, including an overview of relevant information for pediatricians, family physicians, internists, and nurse practitioners who are involved in the care of individuals with autism spectrum disorders. The conference should also be of interest to those in other health disciplines including health policy, school health, social work, speech pathology and case management services.

Topics for our annual courses are largely based on feedback and evaluations from our past participants. By demand, this year’s conference focuses on Autism Spectrum Disorders and Developmental Disabilities across the lifespan, including topics on early screening and referral, speech disorders, augmentative communication devices, and the relationship between ASD, nutrition and ADHD.

Keynote presentations feature outstanding educators, clinicians and epidemiologists. Our popular “Clinical Pearls” section includes updates on seizure disorders, cerebral palsy and ADHD presented by outstanding expert faculty.

The “Living with Disabilities” presentation continues to be a highlight on Friday morning, per specific request of previous attendees. Exhibitors for the conference will include several book publishers and other resources to help individuals better care for people with developmental disabilities and their caregivers. We hope that you will attend, and that your patients and clients with special health care needs will benefit from your participation.
