What’s New, What Matters, What’s Next: UCSF Transplant 2010

September 22-24, 2010

SIR FRANCIS DRAKE HOTEL
San Francisco, CA

COURSE CHAIR
John P. Roberts, MD
Professor of Surgery
University of California, San Francisco

COURSE CO-CHAIRS
Laurie Carlson, RN, MSN
Transplant Coordinator
University of California, San Francisco

Christine Mudge, RN, MSN, PNPC
Pediatric Nurse Practitioner, Liver Transplant
University of California, San Francisco
U C SF transplant surgeons and physicians are acknowledged leaders in the field of solid organ transplantation. This 2 1/2 day conference provides a unique opportunity to hear these experts present on the latest trends in transplantation. Plenary sessions will address topics relevant to transplantation in general, including new immunosuppressive medications, programs to increase access to transplant, waitlist management strategies, islet cell transplantation, and HIV and organ transplant. Clinical tracks for heart, lung, liver, kidney, and pancreas will allow practitioners to focus on the current issues and patient management strategies within their area of specialization.

TARGET AUDIENCE

Designed for a broad cross-section of health care professionals, this conference encompasses heart, lung, liver, kidney, and pancreas transplant, and provides information relevant to multiple practice specialties. Physicians, transplant coordinators and administrators, nurses, nurse practitioners, physician assistants, and pharmacists, as well as social workers and case managers interested in expanding their knowledge of transplantation, are encouraged to attend.

Upon completion of this course, an attendee will be able to:

• Apply into practice the advances in therapeutic management of transplant donors and recipients;
• Improve patient communication regarding allocation policies and their impact on access to transplants;
• Improve competence in managing the immunological challenges involved in organ transplantation;
• Improve competence in the prevention and management of infectious disease complications following organ transplantation;
• Apply new strategies to manage the long-term complications associated with immunosuppressive therapy;
• Improve current strategies to increase access to transplantation; and
• Foster greater levels of compliance with the regulatory issues impacting solid organ transplant.

OBJECTIVES

ACCREDITATION

The University of California, San Francisco School of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

UCSF designates this educational activity for a maximum of 13.75 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This CME activity meets the requirements under California Assembly Bill 1195, continuing education and cultural and linguistic competency.

Nurses

For the purpose of recertification, the American Nurses Credentialing Center accepts AMA PRA Category 1 Credit™ issued by organizations accredited by the ACCME.

Physician Assistants

AAPA accepts category 1 credit from AOACCME, Prescribed credit from AAFP, and AMA PRA Category 1 Credit™ from organizations accredited by the ACCME.

Social Workers (LCSW, MFT)

This course meets the qualifications on an hour-for-hour basis of continuing education credit for MFTs and/or LCSWs as required by the California Board of Behavioral Sciences. Approval No.PCE 1272.

Transplant Certification

Category 1 Continuing Education Points for Transplant Certification (CEFTCs) have been applied for through the American Board for Transplant Certification (ABTC).

Brian Lee, MD
Myrah Graham, RN, MSN, PHN

PLENARY SESSION  1:45-2:15
What You Don’t Know Can Hurt You: Infections in Transplant Recipients
Peter Chin-Hong, MD

PLENARY SESSION  2:15-2:45
Skin Cancer in Organ Transplant Recipients: Challenges and Opportunities
Sarah Tuttleton Arron, MD

PLENARY SESSION  2:45-3:00
Coffee Break

PLENARY SESSION  3:00-3:30
Bariatric Surgery: A Bridge to Transplant
Andrew Posselt, MD, PhD

PLENARY SESSION  3:30-4:00
Clinical Islet Cell Transplant: A Treatment Just Around the Corner
Andrew Posselt, MD, PhD

PLENARY SESSION  4:00-4:15
Closing Remarks
Christine Mudge, RN, MS, PNP
GENERAL INFORMATION

Advanced registration closes one (1) business day prior to start of course. On site registration fees, if applicable, will be applied after this date.

HOW TO ENROLL

Tuition:
- $250 Physicians
- $125 Physicians - Day Rate
- $150 Nurses/Allied Health Professionals
- $75 Nurses/Allied Health Professionals - Day Rate

Payment can be made by Visa, MasterCard, AmEx or check.

REGISTER VIA:

Online: www.cme.ucsf.edu
Mail: Complete course registration form and send with payment to: UCSF Office of CME P.O. Box 45368 San Francisco, CA 94145-0368
Fax: Fax completed registration form to: (415) 502-1795 (be sure to include your credit card number)

On-Site Registration: Generally we are able to accommodate on-site registration at our courses.
Phone: (415) 476-5808 Please check our website for up-to-date information on the course: www.cme.ucsf.edu

REFUND POLICY

Cancellations received in writing before the first day of the course will be refunded, less a $35 administrative fee. No refunds will be made on cancellations received after that date.

CONFERENCE LOCATION

Enjoy San Francisco’s renowned attractions such as the historic cable cars, shopping in Union Square, or visit San Francisco’s culinary hub at the Ferry Building. The Sir Francis Drake is just steps from Union Square and the Theatre District.
