- Electronic syllabus and free internet

High Risk Emergency Medicine Hawaii

WE WEDNESDAY - SUNDAY (PRECEDES PRESIDENT’S WEEKEND)
FEBRUARY 13-17, 2013

JW MARriott Ihilani RESORT • OAHU, HAWAII

highriskhawaii.com
High Risk Emergency Medicine Hawaii is a course designed to address those topics that, due to the risk of misdiagnosis or misadventure, produce the greatest anxiety and concern in the daily practice of emergency medicine. Offered by the Department of Emergency Medicine at the University of California, San Francisco, nationally renowned for emergency medical and trauma care, this conference will meet the needs of the practitioner who encounters a high risk condition in their daily medical practice. This includes practicing emergency physicians as well as internists, family practitioners, and others who practice in an urgent care, high risk, or emergency department setting.

OBJECTIVES
The objectives of this conference are to improve competence and performance in diagnosis, application of current treatment recommendations, and patient counseling for:

- Appropriate diagnosis and management of pediatric head and neck trauma, sedation, fever, and hematologic and oncologic emergencies;
- Accurate identification and treatment of patients with pulmonary embolism, poisoning, TIA and Stroke, smoke inhalation, hypertension, and soft tissue infections;
- Identification and management of patients with pneumonia, performance of vascular access, procedural sedation, psychiatric emergencies, airway management, head and occular trauma, and bleeding.

ACCREDITATION
The University of California, San Francisco School of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

UCSF designates this live activity for a maximum of 24.00 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

- The General Session is designated for 18.00 AMA PRA Category 1 Credits™.
- Ultrasound-Guided Vascular Access optional workshop is designated for 1.75 AMA PRA Category 1 Credits™.
- Ultrasound-Guided Nerve Blocks optional workshop is designated for 1.75 AMA PRA Category 1 Credits™.
- Pediatric Procedures optional workshop is designated for 2.50 AMA PRA Category 1 Credits™.
- Ultrasound-Guided Vascular Access optional workshop is designated for 1.75 AMA PRA Category 1 Credits™.

This CME activity meets the requirements under California Assembly Bill 1195, continuing education and cultural and linguistic competency.

Pharmacists: The California Board of Pharmacy accepts as continuing professional education those courses that meet the standard of relevance to pharmacy practice and have been approved for AMA PRA Category 1 Credits™.

Family Physicians: Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

Nurses: For the purpose of recertification, the American Nurses Credentialing Center accepts AMA PRA Category 1 Credit™ issued by organizations accredited by the ACCME.

Physician Assistants: AAPA accepts category 1 credit from AOACME. Prescribed credit from AAPF, and AMA Category 1 Credit™ for the PRA for organizations accredited by the ACCME.

Pain Management and End-of-Life Care: Approved credits include up to 10.00 from the General Session and up to 6.00 from the Optional Workshops toward meeting the requirement under California Assembly Bill 487, Pain Management and End-of-Life Care.

Emergency Physicians: Application has been made to the American College of Emergency Physicians for ACEP Category I credit.

Trauma: Approved credits include up to 10.00 from the General Session and up to 6.00 from the Optional Workshops toward satisfying the American College of Surgeons Committee on Trauma requirement for trauma related continuing medical education.

COURSE CHAIR
Jeffrey A. Tabas, MD
Professor of Emergency Medicine; Director of Outcomes and Innovations, Office of Continuing Medical Education

COURSE FACULTY
(All Faculty are from UCSF and San Francisco General Hospital unless otherwise noted.)

Diane M. Birnbaumer, MD
Professor of Medicine, Harbor-University of California, Los Angeles Emergency Medicine, Los Angeles, CA

Michael Bresler, MD
Clinical Professor of Surgery, Division of Emergency Medicine, Stanford University, School of Medicine; Director, Mills-Peninsula Hospital Emergency Department, Palo Alto, CA

Rachel Chin, MD
Professor of Emergency Medicine

David Duong, MD
Assistant Professor of Emergency Medicine

Gregory Hendey, MD
Professor of Emergency Medicine; Vice-Chief and Research Director, UCSF Fresno

Judith Klein, MD
Assistant Professor of Emergency Medicine

Starr Knight, MD
Assistant Professor of Emergency Medicine

Elizabeth Kwan, MD
Assistant Professor of Emergency Medicine

Daniel T. Mural, MD
Associate Professor; Director, Pediatric Residency Program, University of Hawaii School of Medicine, Honolulu, HI

Robert Rodriguez, MD
Professor of Emergency Medicine

Evelyn Porter, MD, MS
Assistant Professor of Emergency Medicine and of Pediatrics

Craig Smollin, MD
Assistant Professor of Emergency Medicine, San Francisco Poison Control Center, Toxicology Fellowship Co-Director
CONFERENCE LOCATION
Secluded on the western shore of O‘ahu, the JW Marriott Ihilani at Ko Olina is the most complete resort experience on the island. Set on one of four private beach coves, this retreat exudes a tranquil Hawaiian atmosphere that only hints at all that awaits you. For more details, visit, www.ihilani.com.

ADDITIONAL ACCOMMODATIONS
UCSF has also reserved a block of guest rooms at Aulani, a Disney Resort and Spa. This family paradise, located a short beach stroll away from the conference location, is the perfect place for adults, teens and kids to enjoy amazing adventures together and on their own. Discover the amazing pools, activities, dining, and entertainment of this unique new destination.

KIDS PROGRAMS
Welcoming Guests ages 3 to 12, Disney Aunty’s Beach House is a kids club where younger Aulani guests explore Hawaiian culture, art and music through complimentary activities and Premium Experiences. While the kids play and enjoy imaginative amenities, parents can participate in conference group activities nearby or enjoy uplifting downtime—and rest assured knowing that their children are supervised by childcare professionals, the Disney Youth Counselors, anytime between 10am and 9pm daily.

JW Marriott Ihilani Resort & Spa’s youngest guests will have their own special moments to cherish for a lifetime with the resort’s Keiki Beachcomber Club. Built exclusively for children between 5 and 12 years of age, the innovative program features activities designed with one thing in mind — fun. Kids will enjoy hands-on indoor and outdoor activities such as snorkeling, creating a volcano, kite flying, crab hunting and fishing, lei making and hula dancing. The program is offered in full or half-day formats.

RESERVATIONS (CONT’D)
The cut off date is January 13, 2013, or until the group room block is filled, whichever comes first. After this date, rooms will be provided on a space-available basis only. The special UCSF group rates will be made available to attendees for three days prior and three days after the course and thereafter on a space and rate available basis only.

AULANI, A DISNEY RESORT AND SPA
Run of House: $305/night
(Rate includes all-day children’s activities, wireless internet, and resort entertainment. Tax and additional occupancy costs may apply.)
To make hotel reservations on-line, go to our website www.highriskhawaii.com and click the hotel reservation link under the “Travel & Lodging” section. If you prefer to telephone in your reservation, call (407) 939-4686, please identify yourself as a member of this UCSF conference to receive the special rate. The cut off date is January 19, 2013, or until the group room block is filled, whichever comes first. After this date, rooms will be provided on a space available basis only. The special UCSF group rates will be made available to attendees for three days before and three days after the course and thereafter on a space available and rate available basis only.

By staying at these host hotels, you help UCSF meet its contractual obligations and keep registration fees reasonable. Please take this into consideration when making your accommodation decisions.

RESERVATIONS
Special UCSF conference room rates (single or double occupancy) have been reserved at both the JW Marriott Ihilani at Ko Olina as well as Aulani.

GREEN MEETING
This is a “green” meeting. The syllabus will be transmitted electronically prior to the course. In addition, complimentary wireless internet will be available to all attendees in the ballroom during the course.
