High Risk Emergency Medicine San Francisco

Westin Market Street
San Francisco
San Francisco, CA

MAY 22-25, 2013

High Risk Emergency Medicine San Francisco is a course designed to address those topics that, due to the risk of misdiagnosis or misadventure, produce the greatest anxiety and concern in the daily practice of emergency medicine. Offered by the Department of Emergency Medicine at the University of California, San Francisco, nationally renowned for emergency medical and trauma care, this conference will meet the needs of the practitioner who encounters a high risk condition in their daily medical practice. This includes practicing emergency physicians as well as internists, family practitioners, and others who practice in an urgent care, high risk, or emergency department setting.

OBJECTIVES

The objectives of this conference are to improve:

- Management of acute Coronary Syndrome and cardiac arrhythmias;
- Diagnosis and resuscitation of critically injured trauma patients;
- Safety and efficacy of procedural sedation in adults and children;
- Ultrasound-guided resuscitation;
- Adherence to best practices in emergency procedures;
- Dizziness, stroke, and patients with agitation;
- Management of pediatric fever, respiratory difficulty, abdominal pain, head and neck trauma, procedural sedation, and seizures;
- Pulmonary embolism;
- Practices for treatment of GI bleeding, back and joint pain;
- Counseling of patients who have had bariatric surgery.

ACCREDITATION

The University of California, San Francisco School of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

UCSF designates this live activity for a maximum of 22.50 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

- The General Session is designated for 20.50 *AMA PRA Category 1 Credits™*.

- Ultrasound-Guided Joint Assessment optional workshop is designated for 2.00 *AMA PRA Category 1 Credits™*.

This CME activity meets the requirements under California Assembly Bill 1195, continuing education and cultural and linguistic competency.

Pharmacists: The California Board of Pharmacy accepts as continuing professional education those courses that meet the standard of relevance to pharmacy practice and have been approved for *AMA PRA Category 1 Credit™*.

Family Physicians: Application for CME credit has been filed with the American Academy of Family Physicians. **Determination of credit is pending.**

Nurses: For the purpose of recertification, the American Nurses Credentialing Center accepts *AMA PRA Category 1 Credit™* issued by organizations accredited by the ACCME.

Physician Assistants: AAPA accepts category 1 credit from AOACCME. Prescribed credit from AAFP, and *AMA Category 1 Credit™* for the PRA for organizations accredited by the ACCME.

Pain Management and End-of-Life Care: Approved credits include up to 10.75 from the General Session and up to 2.00 from the Optional Workshops toward meeting the requirement under California Assembly Bill 487, Pain Management and End-of-Life Care.

Emergency Physicians: Application has been made to the American College of Emergency Physicians for ACEP Category I credit.

Trauma: Approved credits include up to 10.75 from the General Session and up to 2.00 from the Optional Workshops toward satisfying the American College of Surgeons Committee on Trauma requirement for trauma related continuing medical education.

hands-on workshop

COURSE CHAIRS

Jeffrey A. Tabas, MD, FACEP, FAAEM

Professor of Emergency Medicine; Director of Outcomes and Innovations,
Office of Continuing Medical Education

Martine Sargent, MD

Assistant Professor of Emergency Medicine and
Director of Ultrasound for San Francisco General Hospital Emergency Department

COURSE FACULTY

(All Faculty are from UCSF and San Francisco General Hospital unless otherwise noted.)

Michael Bresler, MD

Clinical Professor of Surgery,
Division of Emergency Medicine,
Stanford University, School of
Medicine; Director, Mills-Peninsula Hospital
Emergency Department, Palo Alto, CA

S. Andrew Josephson, MD

Associate Professor of Neurology;
Vice Chair, Parnassus Programs;
Director, Neurohospitalist Program

Judith Klein, MD

Associate Professor of Emergency Medicine

Starr Knight, MD

Assistant Professor of Emergency Medicine

Brian Lin, MD, FAAEM

Assistant Clinical Professor of
Emergency Medicine; Physician,
Kaiser Permanente, San Francisco
Emergency Department

Michelle Lin, MD, FAAEM

Associate Professor of Emergency Medicine
Endowed Chair of Education in
Emergency Medicine

Robert Mackersie, MD

Professor of Surgery;
Director of Trauma Services,
San Francisco General Hospital

Andrea Marmor, MD, MEd

Associate Professor of Pediatrics

Amal Mattu, MD

Professor of Surgery,
Division of Emergency Medicine;
Co-Director,
Emergency Medicine/Internal
Medicine Combined Residency
Program, University of Maryland
School of Medicine,
Baltimore, MD

Arun Nagdev, MD
