Course Description
Presented by the University of California, San Francisco School of Medicine, this course stresses antepartum and intrapartum assessment and clinical management in obstetrics. On the first day, various aspects of prenatal diagnosis, ultrasound, antepartum conditions, and maternal complications of pregnancy are covered. The second day is largely devoted to fetal heart rate interpretation and management of fetal heart rate patterns. The third day continues with discussions of potential complications of pregnancy and their management. The course is appropriate for physicians, midwives, obstetric nurses, and trainees. The faculty instructors are internationally known through their clinical and basic research, scholarly articles, and texts. The faculty are highly qualified, certified by their respective specialties, and the majority are qualified or eligible for the subspecialty division of Maternal Fetal Medicine of the American Board of Obstetrics and Gynecology.

Educational Objectives
Upon completion of this course, participants should be able to:

- Identify reproductive environmental hazards;
- Manage and treat selected maternal medical complications of pregnancy;
- Implement current assessment and management strategies for preterm labor;
- Examine clinical implications of fetal heart rate categories;
- Analyze labor management practices that may lower the primary cesarean section rate.
Accreditation

Physician Credit
The University of California, San Francisco School of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

UCSF designates this live activity for a maximum of 18.00 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nursing Credit
For the purpose of recertification the American Nurses Credentialing Center accepts AMA PRA Category 1 Credit™ issued by organizations accredited by ACCME.

AMCB Credit
ACCME Credit hours in Category 1 are accepted by the Certificate Maintenance Program (CMP) of the American Midwifery Certification Board (AMCB) for programs relevant to midwifery. Certified nurse-midwives and certified midwives attending this program may report 18.00 credit hours

ACOG Credit
The American College of Obstetricians and Gynecologists has assigned 18 cognate credits to this program.

General Information
Pre-registration is preferred to ensure that registrants receive a syllabus at the course.

Fetal Heart Rate Monitoring
The approved credits include 3.50 AMA PRA Category 1 Credits™ towards Fetal Heart Rate Monitoring and Assessment Education.

Nursing Pharmacology Continuing Education
For the purposes of recertification the American Credentialing Center accepts AMA PRA Category 1 Credits™ issued by organizations accredited by the ACCME. This activity is designated for 2.50 pharmacology credits towards meeting the requirement for nursing pharmacology continuing medical education.

Accommodations
A block of guestrooms has been reserved at the Hotel Nikko, (415) 394-1111, with a nightly group rate of $248. Reservations at this rate are available if booked by May 3, 2013, or until the room block fills. To make hotel reservations on-line, please visit the course website at www.cme.ucsf.edu under the travel and lodging section.

If you prefer to telephone your reservation, call (415) 394-1111 please identify yourself as a member of this UCSF conference to receive the conference rate. By staying at the host hotel, you help UCSF meet its contractual obligations and keep registration fees reasonable.
