THE CHANGING PRACTICE OF Anesthesia

PARK CENTRAL HOTEL • SAN FRANCISCO, CALIFORNIA

Thursday-Saturday
September 24-26, 2015

NEW THIS YEAR:
Luncheon Problem Based Learning Discussions
September 24th and 25th

Half-Day Workshops:
September 26, 2015

• Hands-On Difficult Airway Management Workshop
• Ultrasound for Regional Anesthesia (Basic/Advanced) Workshop
• Hands-on Ultrasound for Vascular Access and ICU Evaluation Workshop
The Changing Practice of Anesthesia meeting for 2015 will provide an update on the newest trends and developing areas of practice for the anesthesia provider. The Visiting Professor, Dr. Thomas Vetter, is a nationally recognized expert on Perioperative Medicine, including the treatment of acute pain, as well as on the burgeoning topic of the Perioperative Surgical Home.

New to this year’s meeting will be luncheon Problem Based Learning Discussions led by master clinicians from our Department (additional fee required for extra credit and cost of lunch). These activities are designed to update the clinician and increase competencies in the most significant advances in the field of Anesthesia.

For additional educational credit attendees may also enroll for half-day interactive workshops that will be conducted on September 26, 2015 from 1:00 to 5:00 PM:

**Hands-On Difficult Airway Workshop:**
- Provides in-depth review of difficult airway algorithm and latest devices – Led by Dr. Patricia Roth and Dr. Robin Stackhouse

**Ultrasound for Regional Anesthesia Workshop:**
- Covers basic and advanced topics in regional blocks – Led by Dr. Ramana Naidu

**Hands-On Ultrasound for the Anesthesia Provider:**
- Vascular Access, Cardiac Ultrasound, Hemodynamic Exam, Pulmonary and Airway Evaluation – Led by Dr. Kristine Breyer and Dr. John Taylor

**GREENER MEETING**
We’re saving paper! The syllabus will be transmitted electronically two weeks prior to the course.

Upon completion of the educational activity participants should:
- Compare the ASA defined anesthesia-specific elements in practice to my current practice and plan to make changes based on this comparison;
- Adopt specific clinical pathways for certain surgical procedures that are evidence-based best practices;
- Adopt practices to minimize secondary complications including the treatment of post-operative pain;
- Implement Quality of Care measures;
- Refine their practice to better support operating room efficiency;
- Refine my management of patients based on new knowledge, and/or a deeper understanding of physiology and surgical procedure.

**OBJECTIVES**

**THE CHANGING PRACTICE OF Anesthesia**

**PARK CENTRAL HOTEL • SAN FRANCISCO, CALIFORNIA**

**September 24-26, 2015**

The University of California, San Francisco School of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. UCSF designates this live activity for a maximum of 18.00 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This CME activity meets the requirements under California Assembly Bill 1195, continuing education and cultural and linguistic competency.

**Luncheon Problem Based Learning Discussions**
September 24 & 25, 2015 UCSF designates these live activities for a maximum of 1.00 AMA PRA Category 1 Credits™.

**September 24, 2015**
Anesthesia for Adults with Congenital Cardiac Conditions (MAN16001A)

Anesthesia for the Patient with Liver Disease (MAN16001B)

**September 25, 2015**
Perioperative Issues for the Cardiac Patient Undergoing Non-Cardiac Surgery (MAN16001C)

Anesthesia for the Recent Stroke Patient (MAN16001D)

**Half-Day Workshops**
September 26, 2015 UCSF designates this live activity for a maximum of 4.00 AMA PRA Category 1 Credits™.

Hands-On Difficult Airway Management Workshop (MAN16001E)

Ultrasound for Regional Anesthesia (Basic and Advanced) Workshop (MAN16001F)

Hands-on Ultrasound for the Anesthesia Provider (MAN16001G)

**Nurses**
For the purpose of recertification, the American Nurses Credentialing Center accepts AMA PRA Category 1 Credit™ issued by organizations accredited by the ACCME.

THURSDAY, SEPTEMBER 24, 2015

7:00 am  Registration and Continental Breakfast
8:00  Opening Announcements and Overview  C. Spencer Yost, MD
8:05  Introduction of Visiting Professor  Department Chair
8:10  The Perioperative Surgical Home – Why Everyone Wins  Thomas Vetter, MD, MPH
8:50  Discussion

CARDIAC INTERVENTIONS • Moderator: Nichlesh Patel, MD
9:00  What is TAVR? (Trancatheter Aortic Valve Replacement)  Vaikom Mahadevan, MD
9:25  Anesthesia for TAVR  Lundy Campbell, MD
9:50  Adult Congenital Heart Disease: The New Reality  Kathryn Rouine-Rapp, MD
10:15  Discussion
10:25  Break

MANAGING THE IMPAIRED ANESTHESIA PROVIDER • Moderator: Sonali Joshi, MD
10:45  Over-the-Hill and Over-the-Top Providers  Dorre Nicholau, MD
11:10  The Legal Perspective  Susan Penney, JD
11:35  Rapid Fire Discussions – Bring Your Own Case
12:00 pm  Adjourn for Lunch
(Optional Problem Based Learning Discussions or Lunch On your Own)
12:10-1:15  PBLD Sessions (Fee Based)
Anesthesia for Adults with Congenital Cardiac Conditions (MAN16001A)  Kathryn Rouine-Rapp, MD/Nichlesh Patel, MD
Anesthesia for the Patient with Liver Disease (MAN16001B)  Sonali Joshi, MD/Kate Kronish, MD

PERIOPERATIVE TREATMENT OF ELDERLY PATIENTS • Moderator: Jacqueline Leung, MD
1:30  G  Preoperative Evaluation of the Elderly Patient  Anne Donovan, MD
1:55  G  Surgery in the Elderly: Aligning Patient Goals with Expected Outcomes  Emily Finlayson, MD
2:20  G  Postoperative Cognitive Decline in the Elderly  Jacqueline Leung, MD
2:45  Discussion
2:55  Break

ANESTHESIA FOR ORGAN TRANSPLANTATION • Moderator: Helge Eilers, MD
3:10  Anesthesia for Kidney and Pancreas Transplants  C. Spencer Yost, MD
3:40  Management of Acidosis During Surgery and Transplantation  John Feiner, MD
4:05  Anesthesia for the Post Transplant Patient  Kevin Thornton, MD
4:30  Discussion

PATHWAYS • Moderator: Matthias Behrends, MD
4:40  Update on the Colorectal Enhanced Recovery after Surgery: (ERAS) Program at UCSF  Lee-Lynn Chen, MD
5:00  The Role of Regional Anesthesia in Enhanced Recovery after Surgery (ERAS) Pathways  Pedram Aleshi, MD
5:20  Discussion
5:30 pm  Adjourn

FRIDAY, SEPTEMBER 25, 2015

7:00 am  Continental Breakfast
8:00  Announcements and Overview  C. Spencer Yost, MD
8:05  Quality Measurement in Peri-Operative Care  Michael Gropper, MD, PhD

HEALTH CARE COST-SAVING • Moderator: Michael Gropper, MD, PhD
8:30  Anesthesia Health Services Research – an Opportunity to Lead the Cost Conversation  Catherine L. Chen, MD, MPH
8:55  Anemia, Evidence, and Anemic Evidence: Is there a Rational Approach to Perioperative Transfusion?  Elizabeth Whitlock, MD

G Geriatric Credit  P Pain Credit
Educational objectives and registration are available online only at www.ucsfchangingpracticeofanesthesia.com

1:00 pm - 5:00 pm • Park Central Hotel San Francisco

**Hands-On Difficult Airway Management Workshop**

**MAN16001E**

Workshop Sessions are limited to 24 participants.

Faculty to registrant ratio = 1:3

Registration Fee: **$300** Physicians/CRNA

Registration is ONLY available online at www.ucsfchangingpracticeofanesthesia.com

Directors: Patricia A. Roth, MD and Robin Stackhouse, MD

This hands-on Workshop begins with live demonstrations and presentations that detail various situations in which the airway cannot be established through conventional means. This will be immediately followed by interactive hands-on training where participants will learn and practice airway management techniques using an up-to-date selection of airway management equipment that covers the entire difficult airway algorithm.

**Ultrasound for Regional Anesthesia Workshop**

**MAN16001F**

Workshop Sessions are limited to 30 participants.

Registration Fee: **$300** Physicians/CRNA

Registration is ONLY available online at www.ucsfchangingpracticeofanesthesia.com

Directors: Ramana Naidu, MD

The purpose of this activity is to provide the practitioner with a BASIC and ADVANCE skillset to ultrasound guidance for regional blocks. Instruction includes both didactic and hands-on sessions. Each student will use ultrasound equipment to scan live and phantom models. Fundamentals of ultrasound equipment and approaches to upper and lower extremity blocks will be covered in detail. Instruction includes both didactic and hands-on sessions. Each student will use ultrasound equipment to scan live models. Advanced techniques for regional anesthesia of the trunk (including TAP and paravertebral blocks), head and neck (including cervical plexus blocks), newer blocks (adductor canal) and catheter placement techniques will be covered.

**Hands-on Ultrasound for the Anesthesia Provider:**

**Vascular Access, Cardiac Ultrasound, Hemodynamic Exam, Pulmonary and Airway Evaluation**

**MAN16001G**

Workshop Sessions are limited to 20 participants.

Registration Fee: **$300** Physicians/CRNA

Registration is ONLY available online at www.ucsfchangingpracticeofanesthesia.com

Directors: Kristine E. W. Breyer, MD and John M. Taylor, MD

The purpose of this activity is to provide the practitioner with the necessary skills to successfully use ultrasound for guidance in a variety of settings. The course will discuss and demonstrate the use of ultrasound during vascular access, as an aid to evaluate cardiac function, to evaluate intravascular volume status, investigate for presence of pneumothorax and for use in the evaluation for management of a patient with suspected difficult airway. Instruction includes both didactic and hands-on sessions and covers basic and advanced uses for ultrasound imaging. Each student will have the opportunity to use ultrasound equipment for scanning live and phantom models.
GENERAL INFORMATION

Advanced registration closes one (1) business day prior to start of course. On-site registration fees, if applicable, will be applied after this date.

HOW TO ENROLL

Main Course
Tuition:
- $625 Physician
  ($675 after August 24, 2015)
- $550 Allied Health Professionals/Residents and Fellows
  ($600 after August 24, 2015)

Additional Workshop Fees – Registration is ONLY available online at www.ucsfchangingpracticeofanesthesia.com

NEW THIS YEAR:
Lunch Problem Based Learning Discussions Sessions (Lunch provided in registration fee) – 12:10pm -1:30pm
Registration is ONLY available online at www.ucsfchangingpracticeofanesthesia.com

09/24/2015
- Anesthesia for Adults with Congenital Cardiac Conditions (MAN16001A)
- Anesthesia for the Patient with Liver Disease (MAN16001B)

09/25/2015
- Perioperative Issues for the Cardiac Patient Undergoing Non-Cardiac Surgery (MAN16001D)
- Anesthesia for the Recent Stroke Patient (MAN16001D)

PBLD sessions are limited to 10 people per session with sessions running simultaneously.

$65 Physicians/CRNA

09/26/2015 – Post Course Half-Day Workshops –
- Hands-On Difficult Airway Management Workshop (MAN16001E)
  Workshop session is limited to 24 people
  $300 Physicians/CRNA
- Ultrasound for Regional Anesthesia (Basic/Advanced) Workshop (MAN16001F)
  Workshop session is limited to 30 people
  $300 Physicians/CRNA
- Hands-on Ultrasound for the Anesthesia Provider (MAN16001G)
  (Vascular Access, Cardiac Ultrasound, Hemodynamic Exam, Pulmonary and Airway Evaluation)
  Workshop session is limited to 20 people per session
  $300 Physicians/CRNA

Payment may be made by Visa, MasterCard, AmEx or check.

Online: www.ucsfchangingpracticeofanesthesia.com

Mail: Complete course registration form and send with payment to:
UCSF Office of CME
P.O. Box 45368
San Francisco, CA 94145-0368

Fax: Fax completed registration form to:
(415) 502-1795 (be sure to include your credit card number)

Phone: UCSF Office of CME (415) 476-5808

On-Site Registration: Generally we are able to accommodate on-site registration at our courses however pre-registration is preferred

REFUNDS
Cancellations received in writing before the first day of the course and each course workshop will be refunded, less a $75 administrative fee. No refunds will be made on cancellations received after that date.

CONFERENCE LOCATION
Enjoy San Francisco’s renowned attractions. The Park Central Hotel San Francisco, a Starwood Hotel, is just steps from Powell Street BART station, the historic Cable Car Turnaround, the Westfield San Francisco Shopping Center, San Francisco’s famed Union Square, Yerba Buena Gardens, San Francisco Museum of Modern Art, the Theater District, and San Francisco’s culinary hub at the Ferry Building.

A block of guestrooms has been reserved at the special UCSF conference rate of $279 per night, which includes complimentary in-room wireless Internet. You are urged to make your reservations early. The cut-off date is August 24, 2015, or until the group room block is filled.

To make hotel reservations online, go to www.ucsfchangingpracticeofanesthesia.com and click on the hotel link in the Travel & Lodging section of the course webpage. If you prefer to make your reservations by phone, please call (888) 625-5144.
Be sure to identify yourself as a member of the UCSF conference to obtain the preferred rate.

By staying at the host hotel, you help the University of California meet its contractual obligations and keep future registration fees reasonable.

TRAVEL
For air transportation and rental car discount information, please visit our website at www.cme.ucsf.edu.

GREENER MEETING – We’re saving paper!
We will no longer be distributing a printed syllabus for this course – printing one consumes nearly 400,000 pieces of paper! The syllabus will be transmitted electronically two weeks prior to the course.
