Presented by the University of California, San Francisco School of Medicine, this course stresses antepartum and intrapartum assessment and clinical management in obstetrics. On the first day, various aspects of prenatal diagnosis, ultrasound, antepartum conditions, and maternal complications of pregnancy are covered. The second day is largely devoted to fetal heart rate interpretation and management of fetal heart rate patterns. The third day continues with discussions of potential complications of pregnancy and appropriate management. The course is designed for physicians, midwives, obstetric nurses, and trainees. The faculty instructors are internationally known through their clinical and basic research, scholarly articles, and texts. The faculty are highly qualified, certified by their respective specialties, and the majority are qualified or eligible for the subspecialty division of Maternal Fetal Medicine of the American Board of Obstetrics and Gynecology.

**OBJECTIVES**

Upon completion of this course, participants should be able to:

- Manage and treat selected maternal medical complications of pregnancy, including hypertension, diabetes, and thyroid disorders;
- Understand the diagnosis and treatment of periviable birth;
- Appropriately manage fetal heart rate categories;
- Apply evidence-based therapies for nausea and vomiting in pregnancy;
- Assess appropriate methods for inducing labor;
- Identify techniques for managing obstetric complications associated with obesity.

**ACCREDITATION**

The University of California, San Francisco School of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. UCSF designates this live activity for a maximum of 17.50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This CME activity meets the requirements under California Assembly Bill 1195, continuing education and cultural and linguistic competency.

**Nurses:**

For the purpose of recertification, the American Nurses Credentialing Center accepts AMA PRA Category 1 Credit™ issued by organizations accredited by the ACCME.

**Pharmacists:**

The California Board of Pharmacy accepts as continuing professional education those courses that meet the standard of relevance to pharmacy practice and have been approved for AMA PRA Category 1 Credit™.

**Physician Assistants:**

AAPA accepts category 1 credit from AOACCME. Prescribed credit from AAFP, and AMA PRA Category 1 Credit™ from organizations accredited by the ACCME.

**SPECIALTY CREDIT**

AMCB Credit

Category 1 AMA Credits™ are accepted by the Certificate Maintenance Program (CMP) of the American Midwifery Certification Board (AMCB) for programs relevant to midwifery. Certified nurse-midwives and certified midwives attending this program may report 17.50 credit hours.

ACOG Credit

The American College of Obstetricians and Gynecologists has assigned 17.50 cognate credits to this program.

**Fetal Heart Rate Monitoring**

The approved credits include 2.50 AMA PRA Category 1 Credits™ towards Fetal Heart Rate Monitoring and Assessment Education.

**Nursing Pharmacology Continuing Education**

For the purposes of recertification the American Credentialing Center accepts AMA PRA Category 1 Credits™ issued by organizations accredited by the ACCME. This activity is designated for 3.50 pharmacology credits towards meeting the requirement for nursing pharmacology continuing medical education.
