University of California, San Francisco

This course does not receive support from the medical devices or pharmaceuticals industry.
INTERNAL MEDICINE BOARD CERTIFICATION AND RECERTIFICATION REVIEW

Now in its fourteenth year, this course provides a comprehensive and practical review of internal medicine. Aimed at physicians preparing for the American Board of Internal Medicine Certification or Recertification Examination, it is also appropriate for any physician seeking an intensive review of internal medicine. The curriculum covers primary care, every medical subspecialty, and selected outside specialties such as neurology, dermatology, and psychiatry. The interactive format is designed to actively engage participants and provide optimal preparation for passing the examination. Lectures are organized around board-style questions. Course participants will use an audience response system to anonymously answer these questions and receive real-time feedback about their fund of knowledge. Course faculty is comprised of esteemed UCSF clinicians and teachers, many of whom wrote or edited the McGraw-Hill review book First Aid for the Medicine Boards.

WHO SHOULD ATTEND?
Internists who are preparing to take the ABIM Certification or Recertification Exam in August 2016 or later. This course is designed to actively engage participants and to provide optimal preparation for passing the exam and for Internists who desire to improve their patient care practice.

WHY CHOOSE UCSF?
• UCSF has over 50 years of distinguished CME expertise.
• UCSF faculty presenting at this course were involved in writing and editing the review book from McGraw-Hill, First Aid for the Medicine Boards.
• UCSF is competitively priced, providing the highest value for registration fees and accommodations.
• San Francisco is a world-class destination with superb cultural, dining, and recreational offerings.

OBJECTIVES
Upon completion of this course, participants should be able to:
• Recognize strengths and weaknesses in their own knowledge and competence in Internal Medicine and successfully address these both in preparation for the ABIM Certification or Recertification Examination and for their ongoing clinical practice;
• Describe the important evidence-based advances in clinical medicine over the past decade;
• Improve strategies to diagnose, treat, and prevent important conditions in general internal medicine and medicine subspecialties for improved patient outcomes;
• Provide optimal care expected of a general internist for conditions in non-medicine specialties (e.g., neurology, psychology, and dermatology).

ACCREDITATION
The University of California, San Francisco School of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Physicians:
UCSF designates this live activity for a maximum of 32.50 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This CME activity meets the requirements under California Assembly Bill 1195, continuing education and cultural and linguistic competency.

Geriatric Medicine:
The approved credits shown above include 1.25 credits toward meeting the requirement under California Assembly Bill 1820, Geriatric Medicine

Family Physicians:
This live activity is being reviewed by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Pharmacy:
The California Board of Pharmacy accepts as continuing professional education those courses that meet the standard of relevance to pharmacy practice and have been approved for AMA PRA Category 1 Credit(s)™.
