The Department of Pediatrics at the University of California, San Francisco invites you to attend the 53rd Annual Advances & Controversies in Clinical Pediatrics, May 28-30, 2020 at the Park Central Hotel, 50 Third Street, San Francisco, California. The program endeavors to provide research, academic, and clinical information in a format that emphasizes the practical application of current concepts relevant to office practice and to professionals involved in the care of children. Pediatric, Family Practice and Emergency Room Physicians, as well as Physician Assistants, Nurses and Nurse Practitioners report that they consistently benefit from their participation in this program, where nationally recognized guest faculty present a series of lectures that are complemented by UCSF faculty and Bay Area experts speaking about a variety of other current or controversial pediatric issues, which will ultimately result in better care for children of all ages, infants through adolescents. This year's course focuses on emergency medicine, infectious diseases, craniofacial, pulmonary, dermatology, and anxiety.
