7th ANNUAL UCSF/UC DAVIS

Thoracic Oncology Conference

Sir Francis Drake Hotel
San Francisco, CA

November 12, 2005
EDUCATIONAL OBJECTIVES

Upon completion of this program, participants should be able to:

- Identify advances in the latest clinical management of patients with mesothelioma, lung cancer and esophageal cancer.
- Describe the use of interventional radiology in the treatment of lung cancer and other thoracic malignancies.
- Identify the latest combined modality therapies available for patients with lung cancer.
- Describe the treatment options and clinical trials available to patients with mesothelioma.
- Describe the advances in our molecular understanding of lung cancer and mesothelioma.
- Identify emerging therapies for lung cancer, mesothelioma and esophageal cancer.
ACCREDITATION
The University of California, San Francisco School of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. UCSF designates this education activity for a maximum of 7 category 1 credits toward the AMA Physician’s Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity.

Nursing Credit: For the purposes of recertification, the American Nurses Credentialing Center accepts AMA PRA category 1 credit issued by organizations accredited by the ACCME.

Pain Management and End-of-Life Care: The approved credits shown above include 30 credits toward meeting the requirement under California Assembly Bill 487, Pain Management and End-of-Life Care for physicians licensed in California except radiologists and pathologists. Credit may be applied toward the AMA Physician’s Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity.

Pain Management and End-of-Life Care: The accredited credits shown above include 30 credits toward meeting the requirement under California Assembly Bill 487, Pain Management and End-of-Life Care for physicians licensed in California except radiologists and pathologists. Credit may be applied toward the AMA Physician’s Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity.

Safe Patient Handling and Mobility: The approved credits shown above include 48 hours to continuing education in patient movement and handling as provided by organizations accredited by the ACCME.

7th ANNUAL UCSF/UC DAVIS
Thoracic Oncology Conference

Special Offer:
5th Annual Clinical Cancer Update January 13-15, 2006, The Resort at Squaw Creek, North Lake Tahoe. Attendees who register for both courses will receive a $50 discount off the registration for the Clinical Cancer Course. 8:00 am - 8:05 am  Welcome and Introduction
8:05 am - 8:30 am  EGFR Inhibitors in the Treatment of NSCLC
                   Frances A. Shepherd, MD
8:30 am - 8:50 am  Interventional Approaches to Lung Cancer
                   Robert Kerlan, MD
8:50 am - 9:00 am  Questions
9:00 am - 9:25 am  Case Presentation/Panel Discussion  
                   Break
9:40 am - 10:05 am Results of the Bevacizumab Trial for NSCLC
                   Joan H. Schiller, MD
10:05 am - 10:25 am Update in Induction Therapy for Early Stage NSCLC
                   David M. Jablons, MD
10:25 am - 10:45 am Update on Unresectable Stage III NSCLC
                   Zelanna Goldberg, MD
10:45 am - 10:55 am Questions
10:55 am - 11:20 am Case Presentation/Panel Discussion
11:20 am - 11:40 am Other Novel Therapies Undergoing Evaluation in Lung Cancer
                   David R. Gandara, MD
11:40 am - 12:30 pm Lunch provided

COURSE CO-CHAIRS
David R. Gandara, MD  
Professor of Medicine  
Associate Director for Clinical Research  
Section of Hematology/Oncology  
UC Davis Cancer Center

David M. Jablons, MD  
Professor of Surgery  
Ada Endowed Chair and Program Leader in Thoracic Oncology  
UC San Francisco Comprehensive Cancer Center

INVITED GUEST FACULTY
Frances A. Shepherd, MD, FRCP (C)  
Scott Taylor Chair in Lung Cancer Research  
Professor of Medicine, University of Toronto  
Division of Medical Oncology  
Princess Margaret Hospital  
Toronto, Ontario

Joan H. Schiller, MD  
Melanie Heald Professor of Medical Oncology  
University of Wisconsin Hospital  
Madison, Wisconsin

UCSF FACULTY
Thierry M. Jahan, MD  
Assistant Clinical Professor of Medicine
Robert Kerlan, MD  
Clinical Professor  
Dept. of Radiology
Jeffrey Katz, MD  
Professor of Medicine  
Dept. of Anesthesiology

Pierre Theodore, MD  
Assistant Professor in Residence

UCD FACULTY
Angela M. Davies, MD, FRCPC  
Assistant Professor of Medicine
Zelanna Goldberg, MD  
Assistant Professor  
Dept. of Radiation Oncology
Paul Gumerlock, MD  
Adjunct Professor of Medicine  
Division of Hematology Oncology
Derick H.M. Lau, MD, PhD  
Associate Professor  
Co-Director-Thoracic Oncology Clinic
