WHAT MAKES THIS COURSE STAND OUT

• World-Class Speakers
• Focus on High Risk Topics
• No Commercial Support
• Satisfy the new ABEM self-assessment CME requirement
• Electronic Syllabus

High Risk Emergency Medicine San Francisco

HOTEL NIKKO • SAN FRANCISCO • CALIFORNIA

June 10 – OPTIONAL HANDS-ON WORKSHOPS FEATURING CADAVER BASED PROCEDURES!

Speakers include:
Amal Mattu MD, Robert Vissers MD, Michelle Lin MD and Many More!

Special guest speaker:
Gurpreet Dhaliwal MD

highriskem.com
High Risk Emergency Medicine is a course designed to address those topics that, due to the risk of misdiagnosis or misadventure, produce the greatest anxiety and concern in the daily practice of emergency medicine. Offered by the Department of Emergency Medicine at the University of California, San Francisco, nationally renowned for emergency medical and trauma care, this conference will meet the needs of the practitioner who encounters a high risk condition in their daily medical practice. This includes practicing emergency physicians as well as internists, family practitioners, and others who practice in an urgent care, high risk, or emergency department setting.

OBJECTIVES
The objectives of this conference are to improve competence and performance in diagnosis, application of current treatment recommendations, and patient counseling for these common conditions:

- Management of cardiac emergencies;
- Diagnosis and resuscitation of critically injured trauma patients;
- Diagnosis and management of toxicologic and environmental emergencies;
- Ultrasound-guided resuscitation;
- Adherence to best practices in emergency procedures;
- Dizziness, stroke, and patients with agitation;
- Management of pediatric fever, respiratory difficulty, neonatal resuscitation, head trauma, and procedures;
- Practices for diagnosis and treatment of infectious diseases.

ACCREDITATION
The University of California, San Francisco School of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. UCSF designates this live activity for a maximum of 26.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

- The General Session includes 20.25 AMA PRA Category 1 Credits™.
- Optional workshops include up to 6.00 additional AMA PRA Category 1 Credits™.

This CME activity meets the requirements under California Assembly Bill 1195, continuing education and cultural and linguistic competency. Pharmacists: The California Board of Pharmacy accepts as continuing professional education those courses that meet the standard of relevance to pharmacy practice and have been approved for AMA PRA Category 1 Credits™.

Family Physicians: Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

Nurses: For the purpose of recertification, the American Nurses Credentialing Center accepts AMA PRA Category 1 Credit™ issued by organizations accredited by the ACCME.

Physician Assistants: AAPA accepts category 1 credit from AOACCME. Prescribed credit from AAPA, and AMA Category 1 Credit™ for the PRA for organizations accredited by the ACCME.

Pain Management and End-of-Life Care: Approved credits include up to 7.00 from the General Session toward meeting the requirement under California Assembly Bill 487, Pain Management and End-of-Life Care.

Emergency Physicians: Approved by the American College of Emergency Physicians for a maximum of 26.00 hour(s) of ACEP Category 1 credit.

Trauma: Approved credits include up to 10.50 from the General Session toward satisfying the American College of Surgeons Committee on Trauma requirement for trauma related continuing medical education.

Satisfies up to 20 hours of self-assessment CME for the American Board of Emergency Medicine

P Satisfies California requirement for CME in Pain / End of Life Care

T Satisfies American College of Surgeon requirements for CME in trauma
WEDNESDAY, JUNE 10, 2015

OPTIONAL WORKSHOPS

Improve your procedural skills in the most realistic setting possible
($395 additional fee per person, limited registration)
9:00 am – 12:00 pm

Cadaver Based Airway and Ortho Procedures
Workshop Course Directors: Starr Knight, MD, Arun Nagdev, MD, Guy N. Shochat, MD, and Jeanne Noble, MD, MA
• Practice direct and video laryngoscopy, backup techniques, and failed airway techniques
• Practice ultrasound-guided joint taps, injections, and nerve blocks

1:00 pm – 4:00 pm

Cadaver Based Vascular Access and Life Saving Procedures
Workshop Course Directors: Starr Knight, MD, Arun Nagdev, MD, and Charlotte P. Wills, MD
• Emergency access with and without ultrasound guidance
• Chest tubes, pericardiocentesis, lateral canthotomy, and emergency thoracotomy

COURSE CHAIRS

Jeffrey A. Tabas, MD, FACEP, FAAEM
Professor of Emergency Medicine; Director of Outcomes and Innovations, Office of Continuing Medical Education

Jacqueline A. Nemer, MD, FACEP
Director of Advanced Clinical Skills
Associate Professor of Emergency Medicine

COURSE FACULTY

(All Faculty are from UCSF and San Francisco General Hospital unless otherwise noted.)

Jeffrey Bullard-Berent, MD
Clinical Professor of Pediatrics and Emergency Medicine

Rachel Chin, MD
Professor of Emergency Medicine

Zlatan Coralic, PharmD, BCPS
Emergency Medicine Clinical Pharmacist; Assistant Professor of Pharmacy and Emergency Medicine

Gurpreet Dhaliwal, MD
Professor of Medicine, San Francisco VA Medical Center

David T. Duong, MD, PhD
Assistant Professor of Emergency Medicine

Eric Isaacs, MD
Professor of Emergency Medicine

Paul Jhun, MD
Attending Physician, Department of Emergency Medicine

Judith Klein, MD
Assistant Professor of Emergency Medicine

Starr Knight, MD
Assistant Professor of Emergency Medicine

Aaron Kornblith, MD
Pediatric Emergency Medicine & Ultrasound Fellow, UCSF Benioff Children’s Hospital Oakland

Brian Lin, MD
Assistant Professor of Emergency Medicine

Michelle Lin, MD
Associate Professor of Emergency Medicine

Amal Mattu, MD
Professor and Vice Chair of Emergency Medicine, University of Maryland School of Medicine, Baltimore, MD

Arun Nagdev, MD
Assistant Professor of Emergency Medicine, Director of Emergency Ultrasound, Alameda Health System - Highland Hospital

Jeanne Noble, MD, MA
Assistant Professor of Emergency Medicine

Evelyn Porter, MD
Assistant Professor of Emergency Medicine, Assistant Residency Program Director

Guy N. Shochat, MD
Associate Professor of Emergency Medicine, Director of Emergency Airway

Eric Silman, MD
Assistant Professor of Emergency Medicine, Assistant Residency Program Director

Craig Smollin, MD
Assistant Professor of Emergency Medicine; Co-Director, San Francisco Poison Control Center; Toxicology Fellowship Director

Nathan Teismann, MD
Assistant Professor of Emergency Medicine; Director of Emergency Ultrasound

Nicholas Villalon, MD
Emergency Medicine Physician, Seattle, WA

Robert Vissers, MD
Executive Vice President and Chief Operating Officer, Boulder Community Health, Boulder, CO

Charlotte P. Wills, MD
Associate Residency Program Director, Alameda Health System - Highland Hospital, Associate Professor of Emergency Medicine

Jennifer Wilson, MD
Assistant Professor of Emergency Medicine
UPCOMING COURSE
HIGH RISK EMERGENCY MEDICINE HAWAII
