## ACCOMMODATIONS - Reservations

Special UCSF conference room rates (single or double occupancy) have been reserved at both the **Waikiki Beach Marriott Resort & Spa (Waikiki Beach)** as well as **Aulani (Ko'Olina)**.

## Waikiki Beach Marriott Resort & Spa

### Partial Ocean View Rooms \$289 per night

Please contact the **Waikiki Beach Marriott Room Reservations Office** at (808) 921-5444 and reference the 'UCSF' group name for the February 2015 conference. Hotel room availability and room category rates are subject to availability.

## Aulani, A Disney Resort and Spa

### Run of House \$345/night

UCSF has also reserved a block of guest rooms at **Aulani**, a Disney Resort and Spa. The **Aulani** is located 27 miles from the new conference location at the **Waikiki Beach Marriott** and travel can take 1 – 1.5 hours during heavy commuter traffic periods. (Rate includes all-day children's activities, wireless internet, and resort entertainment. Tax and additional occupancy costs may apply.)

## KIDS PROGRAMS - Aulani

Welcoming Guests ages 3 to 12, **Disney Aunty's Beach House** is a kids club where younger Aulani guests explore Hawaiian culture, art and music through complimentary activities and Premium Experiences. While the kids play and enjoy imaginative amenities, parents can participate in conference group activities nearby or enjoy uplifting downtime—and rest assured knowing that their children are supervised by childcare professionals, the Disney Youth Counselors, anytime between 10am and 9pm daily. Please note that Aulani is up to one and a half hour's drive from the Waikiki Beach Marriott Resort & Spa and traffic can be heavy.

By staying at these host hotels, you help UCSF meet its contractual obligations and keep registration fees reasonable. Please take this into consideration when making your accommodation decisions.

The cut off date is **January 11, 2015**, or until the group room block is filled, whichever comes first. After this date, rooms will be provided on a space-available basis only. The special UCSF group rates will be made available to attendees for three days prior and three days after the course and thereafter on a space and rate available basis only.

## GREEN MEETING

This is a "green" meeting. The syllabus will be transmitted electronically prior to the course. In addition, complimentary wireless internet will be available to all attendees in the ballroom during the course.
