

The Bodenheimer Symposium and Gala September 25-26, 2015 • Hotel Nikko: San Francisco, CA

- SYMPOSIUM INNOVATIONS CAFÉ •
September 26, 2015

An opportunity for interactive exploration of cutting-edge technology that supports, enhances, and disseminates the power of primary care. In this session, participants will have the opportunity to view and demo web-based tools, mobile applications, and online innovations, in consultation with the experts behind them.

INNOVATIONS CAFÉ 2:20-3:45 PM

INNOVATION

EXPERT/INNOVATOR

Facilitating Care Integration Website and Resource Center

The first online resource center dedicated solely to the integration of primary care and the medical neighborhood

UCSF Center for Excellence in Primary Care & Center for Care Innovations

Open Notes

A national initiative that gives patients access to the clinic notes written by their doctors, nurses, or other care providers

Open Notes Team, Harvard Medical School

eReferral Program at San Francisco General Hospital

One of the first integrated referral and consultation programs designed to streamline and enhance the primary care-specialty care interface in San Francisco's safety net

UCSF Center for Innovation in Access and Quality

The Bodenheimer Symposium and Gala

September 25-26, 2015 • Hotel Nikko: San Francisco, CA

INNOVATION

Steps Forward

A practice-based initiative highlighting proven strategies to improve office efficiency and achieve the Quadruple Aim

EXPERT/INNOVATOR

American Medical Association

Upstream Readiness Assessment Tool

The "UReady" tool helps healthcare systems conduct a quick audit of internal processes and infrastructure required to move upstream and better achieve the Quadruple Aim

HealthBegins

The Primary Care Team Guide

Free resource that helps primary care practices build high-functioning teams, structured in modules and organized by function and topic area

MacColl Center for Health Care Innovation

The Safety Net Medical Home Initiative

National PCMH demonstration helping 65 primary care safety net sites become high-performing medical homes

Coach Medical Home

Free online resource that provides tools and knowledge needed to support primary care clinics as they improve quality of care and become medical homes

Care Coordinators

An approach featuring care coordinators as a critical component of the care team

Stanford Coordinated Care

Trust: A Key Ingredient

Emphasizing focus on a patient's self-identified goals to re-engage patients in their own care

UCSF Center for Excellence in Primary Care
