The UCSF Benioff Children’s Hospital at the University of California, San Francisco invites you to attend the 50th Annual Advances & Controversies in Clinical Pediatrics, June 8 -10, 2017 at the Park Central Hotel, 50 Third Street, San Francisco, California. The program endeavors to provide research, academic, and clinical information in a format that emphasizes the practical application of current concepts relevant to office practice and to professionals involved in the care of children. Pediatric, Family Practice and Emergency Room Physicians, as well as Physician Assistants, Nurses and Nurse Practitioners report that they consistently benefit from their participation in this program, where nationally recognized guest faculty present a series of lectures that are complemented by UCSF faculty and Bay Area experts speaking about a variety of other current or controversial pediatric issues, which will ultimately result in better care for children of all ages, infants through adolescents. This year’s course focuses on gastroenterology, infectious diseases, developmental - behavioral pediatrics, including ADHD and Autism, as well as obesity, and health disparities.

OBJECTIVES

Upon completion of this conference, participants should be able to:

- Identify interventions that can improve the impact of traumatic childhood experience in immigrant children;
- Utilize key criteria to refer gender non-conforming youth to a comprehensive care and treatment center;
- Identify effective ways to screen children from underserved populations for tobacco smoke exposure;
- Improve their diagnosis and treatment of neonatal HSV, CMV, hydronephrosis, UTIs, and latent TB;
- Improve their management of celiac disease, GERD, eosinophilic esophagitis, obesity and its complications, gluten free diets, and probiotics;
- Utilize innovative strategies to manage well child healthcare, sleep, difficult families, sexual exploitation of children, lifelong impact of childhood adverse experiences, and health disparities for vulnerable groups;
- Apply new information in the evaluation and treatment of ADHD, autism, depression, psoriasis, and knee injuries accordingly;
- Counsel patients about fostering gender development, sexuality and body image, menstruation, long acting reversible contraception, tobacco use and health care disparities;
- Implement culturally effective care and evidence based health care equity for underserved populations, including Immigrants, LGBT, and other marginalized minorities.

ACCREDITATION

The University of California, San Francisco School of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. UCSF designates this live activity for a maximum of 20.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This CME activity meets the requirements under California Assembly Bill 1195, continuing education and cultural and linguistic competency.

**Pain Management and Care for the Terminally Ill:** The approved credits shown above include 9.00 credits toward meeting the requirement under California Assembly Bill 487, Pain Management and End-of-Life Care.

**Nurses:** For the purpose of recertification, the American Nurses Credentialing Center accepts AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Physician Assistants:** AAPA accepts category 1 credit from AOACCME, Prescribed credit from AAFP, and AMA Category 1 Credit for the PRA from organizations accredited by the ACCME.

**Pharmacists:** The California Board of Pharmacy accepts as continuing professional education those courses that meet the standard of relevance to pharmacy practice and have been approved for AMA PRA Category 1 Credits™.

**Family Physicians:** Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.
