23rd ANNUAL
MANAGEMENT OF THE
HOSPITALIZED PATIENT

Thursday - Saturday
October 17-19, 2019
Hyatt Regency Embarcadero • San Francisco, CA

Praise from past attendees...
“The best conference ever! By far!!!”

COURSE CHAIR
Robert M. Wachter, MD
Professor and Chair, Department of Medicine
University of California, San Francisco

BACK BY POPULAR DEMAND!
The UCSF Hospitalist Mini-College
A Small Group, Hands-On Experience
October 14-16, 2019
UCSF Medical Center
San Francisco, CA

The course that started it all returns for its 23rd year!
This course serves as the West Coast Regional Meeting of the Society of Hospital Medicine.
This course, chaired by Dr. Robert Wachter, covers the clinical issues most relevant to hospitalists and other clinicians who care for inpatients. Taught by UCSF’s top teachers and a stellar group of guest faculty, the course highlights recent advances and current controversies. To promote active learning, the course uses a mobile audience response system and features multiple workshops in a variety of disciplines to allow for small group discussions. The course includes broad content in critical care, perioperative care, patient safety, hospital neurology, cardiology, GI, hematology, oncology, nephrology, and infectious diseases.

Back by popular demand, this year’s conference is preceded by the three-day Hospitalist Mini-College (October 14-16, 2019). This course is presented by the UCSF Division of Hospital Medicine and is sponsored by the Office of Continuing Medical Education, University of California, San Francisco School of Medicine. It also serves as the West Coast regional meeting of the Society of Hospital Medicine.

OBJECTIVES

An attendee completing the Management of the Hospitalized Patient course should be able to:
• Improve diagnosis of common inpatient clinical presentations;
• Perform an evidence-based work-up for common inpatient clinical presentations;
• Apply modern therapeutic approaches to common inpatient disorders;
• More effectively respond to patients’ questions in hospital medicine using the latest clinical literature.

An attendee completing the Hospitalist Mini-College pre-course should be able to improve diagnostic and management skills through hands-on teaching and observation in the following disciplines:
• Critical Care Medicine
• Hospital-based Neurology
• Surgical Co-Management and Consultation
• Hospital Dermatology

ACCREDITATION

The University of California, San Francisco School of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

UCSF designates this live activity for a maximum of 18.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This CME activity meets the requirements under California Assembly Bill 1195, continuing education and cultural and linguistic competency.

Geriatric Medicine: The approved credits shown above include 4.50 Geriatric Credits toward meeting the requirement under California Assembly Bill 1820, Geriatric Medicine.

Pain Medicine: The approved credits shown above include 2.75 Pain Credits towards meeting the requirement under California Assembly Bill 487, Pain Management and Care for the Terminally Ill.

Nurses: For the purpose of recertification, the American Nurses Credentialing Center accepts AMA PRA Category 1 Credit™ issued by organizations accredited by the ACCME.

Pharmacotherapeutics CEUs for Nurses: For the purposes of recertification the American Nurses Credentialing Center accepts AMA PRA Category 1 Credits™ issued by organizations accredited by the ACCME. This activity is designated for a maximum of 7.75 pharmacotherapeutic credits towards meeting the requirement for nursing pharmacology continuing education. Nurses should claim 0.1 CEUs for each contact hour of participation in designated pharmacotherapeutic continuing education.

Physician Assistants: AAPA accepts category 1 credit from AOACCME, prescribed credit from AAFP, and AMA PRA Category 1 Credit™ from organizations accredited by the ACCME.

Pharmacists: The California Board of Pharmacy accepts as continuing professional education those courses that meet the standard of relevance to pharmacy practice and have been approved for AMA PRA Category 1 Credit™.

Maintenance of Certification: Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 18.75 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Family Physicians: Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

GREENER MEETING

We’re saving paper! The syllabus will be available electronically prior to the course.

CONFERENCE LOCATIONS
The UCSF Hospitalist Mini-College is held at the
UCSF Medical Center, located at 505 Parnassus
Avenue. The 600 bed academic medical center
is ranked as the nation’s 6th best hospital by US News
& World Report. Participants will go on rounds and
participate in a variety of other educational sessions
with the course faculty.

REFUND POLICY
For the Management of the Hospitalized Patient
course, cancellations received in writing before the first day of
the course will be refunded, less a $75 administrative
fee. No refunds will be made on cancellations received
after that date. See registration page for refund
policy for the Hospitalist Mini-College.
THURSDAY, OCTOBER 17, 2019
7:00 am  Registration and Continental Breakfast

8:00  Welcome  Robert M. Wachter, MD
8:10  Rx  Updates in the Diagnosis and Management of DVT and PE  Tracy Minichiello, MD
9:00  GRx  Update in Diagnosis and Management of Stroke  S. Andrew Josephson, MD
9:50  Break
10:15  GRx  Managing Anticoagulation in the Hospitalized Patients  Tracy Minichiello, MD
11:10  G  Better (and Worse) Things to Say to Patients and Families in Palliative Care  Steven Z. Pantilat, MD
12:00 pm  Lunch (On Your Own)
1:30  Small Group Workshops: Session I
   1  The Neurological Exam  S. Andrew Josephson, MD
   2  Tough Cases in the Hospitalized Patient with Liver Disease  Danielle Brandman, MD, MAS
   3  Thromboembolism Q&A: Cases and Controversies  Tracy Minichiello, MD
   P  4  Oncologic Emergencies (including Side Effects of New Cancer Treatments)  Gerald Hsu, MD, PhD
   5  Tough Cases in Inpatient Pulmonary Medicine  Lekshmi Santhosh, MD
   6  Curbside Consults in Infectious Disease  Jennifer Babik, MD, PhD
   7  Beyond Fight or Flight: Mitigating Interpersonal Conflict Through Skilled Communication  Diane Sliwka, MD
   8  Meet the Professor  Robert M. Wachter, MD
2:50  Break
3:15  Rx  Diagnosis and Management of Shock  Lekshmi Santhosh, MD
4:10  GRx  Management of the Hospitalized Patient with Cirrhosis  Danielle Brandman, MD, MAS
5:00 pm  Conference Reception

FRIDAY, OCTOBER 18, 2019
7:30 am  Continental Breakfast
8:00  Clinical Problem Solving Exercise  Gurpreet Dhaliwal, MD
9:00  Rx  What’s New in Hospital Antibiotics  Jennifer Babik, MD, PhD
9:55  Break
10:20  Current Controversies in Medical Consultation  H. Quinny Cheng, MD
11:15  GRx  Diabetes and Other Tough Problems in Hospital Endocrinology  Elizabeth J. Murphy, MD, DPhil
12:10 pm  Lunch (Provided)
12:40  Small Group Workshops: Session II
   9  The Neurological Exam (repeat #2)  Vanja Douglas, MD
   10  Radiology Refresher: Chest Imaging  Brett M. Elicker, MD
   11  Thromboembolism Q&A: Cases and Controversies (repeat #2)  Tracy Minichiello, MD
   12  Fundamentals of Preoperative Evaluation  H. Quinny Cheng, MD
   13  Common Problems in Inpatient Rheumatology  Sarah Goglin, MD
   14  Bedside Ultrasound for Diagnosis  Nima Afshar, MD
   15  Electrolyte Abnormalities in the Hospital: Diagnosis and Management  Trevor Jensen, MD, MS
   16  The Art of Diagnostic Reasoning: An Interactive Case  Matthew Rivara, MD
2:00  Break
2:10  Small Group Workshops: Session III
   17  The Neurological Exam (repeat #3)  Vanja Douglas, MD
   18  Radiology Refresher: Chest Imaging (repeat #2)  Brett M.Elicker, MD
   19  Thromboembolism Q&A: Cases and Controversies (repeat #3)  Tracy Minichiello, MD
   20  Tough Cases in Medical Consultation  H. Quinny Cheng, MD
   21  Making the Most Out of Your Epic EHR: Tips for Hospitalists and their Systems  Sara Murray, MD
   22  Bedside Ultrasound for Diagnosis (repeat #2)  Raman Khanna, MD, Nader Najafi, MD
   23  Electrolyte Abnormalities in the Hospital: Diagnosis and Management (repeat #2)  Nima Afshar, MD
   24  Managing the Hospitalized Patient with Opiate Use Disorder  Trevor Jensen, MD, MS
   P  25  Workup and Management of Acute Kidney Injury  Matthew Rivara, MD
   3 30  Break
3:30  Workup and Management of Acute Kidney Injury  Matthew Rivara, MD
4:40  Artificial Intelligence in Healthcare: Separating the Reality from the Hype  Robert M. Wachter, MD
5:30 pm  Adjourn
SATURDAY, OCTOBER 19, 2019
7:30 am Continental Breakfast
8:00 Neurological Emergencies
S. Andrew Josephson, MD
8:50 Cardiology Pearls for the Hospitalist
Ronald Witteles, MD
(with a Focus on Heart Failure)
8:50 Gregory C. Marcus, MD
9:45 Update on Management of Atrial Fibrillation in the
Hospitalized Patient
9:45 Jennifer Babik, MD, PhD
10:30 Break
10:50 Lung Infections in the Hospitalized Patient
11:35 The Year in Review in Hospital Medicine
12:20 pm Adjourn

G • Geriatric Credit   P • Pain Credit   Rx • Meets Requirements for Pharmacotherapeutics
CEUs for NPs/Nurses

RETURNING BY POPULAR DEMAND! SPACE IS LIMITED!

The UCSF Hospitalist Mini-College • A Small Group, Hands-On Experience

This innovative three day pre-course, which precedes the flagship UCSF Management of the Hospitalized Patient course, provides an in-depth and engaging experience for hospitalists who seek clinical skill development. Participants will join faculty at the UCSF Medical Center to participate in small-group learning in 4 domains: Critical Care Medicine, Hospital-based Neurology, Surgical Co-Management and Consultation, and Dermatology for the Hospitalist. Attendees will also receive hands-on procedural training (e.g., use of ultrasound guidance) and sessions focused on interpreting radiographic studies, building diagnostic acumen, and enhancing end-of-life communication skills. For further information, please visit our website at: https://ucsfhealthhospitalmedicine.ucsf.edu/uhmc

Got paper?... Not – Beginning in 2006, we stopped distributing a printed syllabus for this course – doing so saves nearly 400,000 pieces of paper! Registrants will have access to all talks on a conference website pre- and post-conference, and will receive a schedule outline onsite. Those interested in following along can bring their laptops or tablets (there will be electrical outlets and wireless Internet access in the main hall.) We will also have printers for those who wish to print selected talks. We trust you understand.
