VIRTUAL CONFERENCE

2020

Obstetrics and Gynecology Update: What Does The Evidence Tell Us?

New information on obstetric and gynecologic practice is being produced at a rapid rate. Leaders in the field, including those at the American College of Obstetricians and Gynecologists, take an evidence-based approach when formulating practice guidelines. This course is designed to provide a comprehensive update for the practitioner, placing emphasis on reviewing current evidence-based data and applying new practice guidelines.

TARGET AUDIENCE

Designed for practicing physicians, residents, nurses, nurse practitioners, and physician assistants seeking an update on a wide range of current issues in obstetrics and gynecology.

OBJECTIVES

Upon completion of this course, participants should be able to:

- Apply best practices and evidence for reducing the first cesarean section;
- Describe morbidly adherent placenta and other consequences of cesarean delivery and how to manage these complications;
- Apply the most recent guidelines for screening and management of cervical intraepithelial neoplasia;
- Appropriately counsel patients about nutrition, vitamin and exercise for the prevention of osteoporosis, and the effects of marijuana and vaping on pregnancy;
- Create an inclusive practice for transgender patients;
- Discuss the recent Covid-19 pandemic, the virus' effect on pregnancy, and potential protocols and practice changes.

ACCREDITATION

The University of California, San Francisco School of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

UCSF designates this live activity for a maximum of **22.50 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This CME activity meets the requirements under California Assembly Bill 1195, continuing education and cultural and linguistic competency.

Nurses

For the purpose of recertification, the American Nurses Credentialing Center accepts *AMA PRA Category 1 Credit™* issued by organizations accredited by the ACCME.

Pharmacists

The California Board of Pharmacy accepts as continuing professional education those courses that meet the standard of relevance to pharmacy practice and have been approved for *AMA PRA Category 1 Credit™*.

Family Physicians

Application for CME credit has been filed with the American Academy of Family Physicians. **Determination of credit is pending.**

Obstetricians/Gynecologists

Application for cognate credits has been filed with the American College of Obstetricians and Gynecologists. **Determination of credit is pending.**

Pharmacotherapeutics CEUs for Nurses

This activity is designated for a maximum of **4.50** pharmacotherapeutic credits towards meeting the requirement for nursing pharmacology continuing education. Nurses should claim 0.1 CEUs for each contact hour of participation in designated pharmacotherapeutic continuing education.
