Presidents’ Welcome

Alliance for Continuing Education in the Health Professions (ACEhp)

Association for Hospital Medical Education (AHME)

Society for Academic Continuing Medical Education (SACME)
Welcome
Bob Addleton, EdD, President
Mission and Vision

Alliance Mission

• Our mission is to connect healthcare education professionals to promote best practices that improve patient care.

Alliance Vision

• The Alliance is a recognized leader and trusted partner that exists to advance continuing education for healthcare professionals.
Strategic Commitments

• **Goal #1**: Define and promote the continuing healthcare education profession.

• **Goal #2**: Promote strategic alliances to attain and advance the mission and vision.

• **Goal #3**: Explore membership models that are relevant for today’s market which will build and engage an inter-professional membership.
Membership Benefits

• Exclusive registration rates to the Alliance Annual Conference, the largest Annual Conference of professionals in the field of continuing education in the health professions.

• Other don’t miss meetings: Alliance Industry Summit (May 9-11), Alliance Quality & Innovation Summit (September 26-28)

• CEhp Fundamentals

• Webinars, Town Hall meetings
Membership Benefits

• Support, information and advocacy regarding changes within the CE field, including the opportunity to collaborate.

• Career Center - Post jobs on the Career Center job board at the member rate and save over 50 percent.

• *Journal of Continuing Education in the Health Professions*

• *The Almanac* – Practical information for the CE practitioner

Our 60 Year History and Mission

• The Association for Hospital Medical Education (AHME) was founded in 1956 as a national, non-profit professional organization involved in the continuum of hospital-based medical education. We:

  • Promote improvements in medical education to enhance the educational experience of trainees;
  • Serve as a forum and resource for medical education information;
  • Develop professionals in the field of medical education; and
  • Advocate the value of medical education in health care
AHME Membership

- AHME's more than 600 members represent several hundred teaching hospitals, academic medical centers, and consortia nationwide and 40% of the residents in ACGME-accredited programs.
- **CADME**: Council of Administrative Directors of Medical Education
- **CCME**: Council on Continuing Medical Education (78 institutions)
- **COPAC**: Council of Program Administrators and Coordinators (New)
- **CTYPD**: Council of Transitional Year Program Directors
Ongoing Educational Events

- AHME Annual Spring Institute
  - Tracks in GME and CME
  - Transitional Year Program Directors
- AHME Academy
  - GME basics course
- AHME Teleconferences
- Speakers from ACGME, AAMC, ACCME, CMSS, AMA and other major, national organizations and accrediting bodies
CME Grants to Member Institutions

AHME works to secure external funding to support accredited CME- performance improvement activities, solicit and review proposals from member teaching institutions, and awarded grants to support these projects.

- **2009**
  16 members for quality improvement projects
- **2011**
  17 members for improving pain management
- **2013**
  20 members for national ER/LA Opioid Analgesics RMES Education

- Patient Safety/Quality
- Guide to Faculty Development & GME
- Simulation Training
- Research & Scholarship in GME
- Cultural Competency

ASSOCIATION FOR HOSPITAL MEDICAL EDUCATION
Other Popular & Useful Services

• AHME News—published bi-annually

• AHME Message Board---encourages interaction with colleagues about every aspect of medical education; 700 subscribers and over 5,000 posts

• JCHEP subscription
The Society for Academic Continuing Medical Education (SACME)

Welcome

Mary Turco, EdD, President
SACME Mission

To promote the highest value in patient care and health of the public through the scholarship of continuing medical and interprofessional education.
SACME Vision

To be the premier academic continuing medical and interprofessional education society that advances the field of continuing education in the best interest of patients and communities.
SACME Purposes

1. **Advance the theory and evidence** to improve continuing education of clinicians, educators, and researchers.

2. **Study the planning, implementation, and evaluation** of continuing education programs and activities.

3. **Collaborate to solve complex challenges** facing leaders, clinicians, educators, and researchers in the field of continuing education.

4. **Support scholarship and dissemination** of continuing education, including discovery, integration, application, and teaching.

5. **Guide the development of an interprofessional infrastructure** necessary to improve continuing education to better serve patient care.

6. **Address the full range of professional competencies** required for excellence in clinical practice and education.
SACME Officers

Mary Turco, EdD
President

Ajit Sachdeva, MD

NEW BOOK COMING SPRING 2017 • OFFICIAL PUBLICATION OF SACME
Continuing Professional Development in Medicine and Health Care Better Education, Improved Care, Best Outcomes

EDITORS
William F. Rayburn, MD, MBA
Mary G. Turco, EdD
David A. Davis, MD

- The “how-to” for developing and using continuing medical education and professional development activities to ensure better clinical practice and healthcare outcomes
- Each chapter begins with a case scenario and includes techniques for maximizing educational benefits
- Addresses the full range of key topics

A SAMPLING OF THE TABLE OF CONTENTS

I. Improving the Learning Environment
Integrating professional development with health system change - Applying educational theory to practice - Advances in use of simulation models - Using technology to enhance learning and the learning environment - Improving standard conferences and courses

II. Learning in the Workplace
Drivers of change and advancing the clinical learning environment - Improving communication skills of providers - Overcoming barriers in interprofessional team-based care - Accessing information resources at the point of care - Systems-based learning

III. Better Faculty, Better Content, Better Outcomes
Engaging scholarship to improve continuing professional development - Maintaining board certification and performance improvement - Teaching for quality improvement and patient safety

IV. Creating Better Learners at All Levels
Using the science of learning to encourage lifelong education and training - Creating the practice-based learner - Reforming competencies in UME and GME - Re-engineering CME accreditation - Assessing and remediating the struggling physician

V. Implementing and Evaluating Change in Professional Development
Effecting organizational change - Leading in an academic health system - Articulating the value of continuing medical education - Identifying principles of effective educational research - Projecting the future of continuing professional development
INTERCOM

2016 World Congress on CPD

World Congress on Continuing Professional Development: “Advancing Learning and Care in the Health Professions”
March 15-16, 2016 San Diego, California

Plans are being finalized for the World Congress on Continuing Professional Development: “Advancing Learning and Care in the Health Professions.” If you have not already registered, please do or to send a key colleague if you are not able to attend yourself. Visit: www.wcongresscpd.org

The Congress program’s academic content and design are outstanding. The scientific program has continued to expand, with new sessions and workshops being added each year. The Congress has been highly successful in attracting world-renowned speakers, with a mix of engaging keynote addresses and cutting-edge research presentations. The Congress has also been recognized for its high-caliber exhibitions and sponsorship opportunities.
